Dear Pastor or Church Leader,

Kingdom Education, the philosophy at Impact Christian Academy, focuses on bringing the home, church and school into a partnership for the purpose of training the next generation. Kingdom Education is defined as the life-long Bible-based, Christ-centered process of leading a child into a new identity with Christ, developing a child according to his/her specific abilities given to him by Christ, so that a child is empowered to live a life characterized by love, trust and obedience to Christ.

This information will aid in the admission process as well as the ministry of Impact Christian Academy and to the family if they become part of the ICA community. We appreciate your completion of this recommendation form as well as your ministry in this community.
