

Hello Upper School Parents,

We hope you are enjoying your summer! Below, please find our Upper School Supplies list for the 2024-2025 Academic School Year. We have one important change for the upcoming school year; we are implementing a new policy requiring each student to bring a Chromebook or laptop with a protective case/covering for daily use at school. This change is aimed at enhancing our educational experience in several ways:

1. **Enhanced Learning:** Laptops provide access to a wide range of educational resources and interactive learning tools, allowing students to engage more deeply with the material.
2. **Improved Organization:** Digital tools help students keep track of assignments, schedules, and notes, fostering better organizational skills and responsibility.

Additionally, having their own Chromebooks to take home supports:

1. **Flipped Classroom:** Students can review instructional materials at home, allowing more time for interactive, hands-on learning activities in the classroom.
2. **Parent Collaboration:** Parents can more easily stay informed and involved in their child's education by accessing assignments.

If you have any questions or need assistance with fulfilling this requirement, please feel free to contact us. We are here to help and ensure that every student is equipped for success. Thank you for your cooperation and support.

All Upper School Students are required to have:

1. **One** Computer (Laptop/Chromebook).
2. **One** 3-inch binder with 3 rings and a zipper pouch to store supplies, 3 hole-punched
